SUMMARY

Social media content producer with 2+ years of shooting, editing and publishing content for Toronto restaurants. Grew three restaurant Instagram accounts by 21,000+ followers, created Reels with up to 490K views and helped keep a Yorkville restaurant fully booked every Friday and Saturday.

EXPERIENCE

Social Media Content Producer | Freelance, Toronto, ON Jun 2024 - Present

Produced 350+ Reels and 900+ photos for Toronto restaurants and a marketing agency, from shoot planning to publishing and Meta Ads.

- Grew **De Paris** (Yorkville) Instagram 5x in 10 months, from 2,200 to 12,000 followers, by promoting an exclusive offer through Meta Ads; a 90-day push added 6,000+ followers and 2,600+ booking-link taps and kept Friday and Saturday nights fully booked.
- Built **Georgian House** Instagram from zero to 9,000 followers by producing all photo and video content and running Meta Ads; supported the launch of its second location with content and ads.
- Managed \$34K+ in Meta Ads across 4 restaurants; for **Bomond's** group birthday events (7-50 guests), cut cost per lead 58% vs. the previous agency and built an AI chatbot that took DM leads to booking.
- Concepted, filmed and edited a founder-interview promo Reel for **Hoyra** (Ukrainian gastrobar) that reached 250K organic views, over 50x its follower count.
- Photographed and designed the full **PURI Georgian Bakery** menu and set up Uber Eats storefronts with menu photography for PURI and Georgian House.
- Produced outsourced content for **OneCore Media**, a Toronto marketing agency, plus promo videos for barbershops, a law firm and a boat company.
